

Greatly Nurtured Development – Herbalife Nutrition Policy

GND Herbalife Member Sign Up Code of Ethics

1. If you sign/refer potential members, they become your downline members
2. If a potential member signs/is referred via your downline, they become part of your existing downline
3. If you want to give potential members to those in your upline or downline you must have an ethical reason, which must be requested to and discussed with the GND Herbalife Board
4. Any requests with ethical reasons that are brought to the GND Herbalife Board can be challenged and subsequently either accepted or refused
5. Any potential members that aren't identified from a referral via a upline or downline member are allocated by the GND Herbalife Board and will be determined as fairly as possible. If it is determined that potential members are to be allocated to GND Coaches, then whoever the coach with the least number of members in their downline will be considered as priority.
