

GND Payments Policy

A 'family' is classified as those living within the same household.

'The weekend' is classified as a Saturday and Sunday session.

1. GND training wear:

- 1.1 GND training wear is compulsory and costs £99, which is non-refundable.
- 1.2 This entitles you to a Nike GND club training top, t-shirt, trousers, a choice between thigh length and three-quarter length shorts, and football socks.

2. Subscription training fees:

- 2.1 As a result of playing in the league, training 4 days a week and training at Harris Academy, we recognise the difficulty of booking sessions in regularly. Therefore, we have a subscription payment service. This means there will be no need to book every week once you are setup with a subscription. You can select when you want the payment to come out of your account (for example on payday).
- 2.2 The cost of the subscription is £60 per month for one child in a household and £75 per month for two or more children in a household

3. Individual session training fees:

- 3.1 The Saturday session costs £10 for one session per child.
- 3.2 The Sunday session costs £10 for one session per child.
- 3.3 There are currently two sessions over the weekend and there is a buy one get one free (BOGOF) deal where the second session is free if the child attends and pays for the Saturday session.
- 3.4 If the child attends only on the Sunday session the training cost is £10
- 3.5 The BOGOF deal also stands if there is more than one child in the household.
- 3.6 The BOGOF deal will be at a different cost depending on how many children there are in the family as specified below.
- 3.7 If there are two children in a family attending the Saturday and Sunday sessions, the fee is £7.50 for the weekend per child if both children attend the sessions.
- 3.8 If only one child attends the weekend sessions from a two or more-child household, the price is £10 for that child for the weekend.
- 3.9 If only one child attends the weekend sessions from a two or more-child household, and the second child attends only one of the sessions, the price is £7.50 per child for the weekend.
- 3.10 If there are three or more children in a family attending the Saturday and Sunday sessions, the fee is £5 for the weekend per child if all children attend the sessions.
